CARL E. FINDLEY, DMD, MAGD, PC

Practicing in the same Albany location since 1974, Dr. Findley is a Master with the Academy of General Dentistry where he also earned the prestigious Lifelong Learning and Service Recognition Award - one of less than 150 in the U.S. and only six in Georgia to receive this honor. Visit our new website at www.dr-carlfindley.com to see his full curriculum vitae and much more.

At the annual meeting (September 2016) of the L.D. Pankey Institute for Advanced Continuing Dental Education in Key Biscayne, Florida, Dr. Findley and six other dentists were nominated to receive the Pankey Hero Award. This tribute was given to Dr. Findley by one of the 35 year employees there, Mark Collis. Mark has been making numerous trips from Miami for Dr. Findley to restore his mouth to optimal dental health and shared these sentiments:

Dr. Findley is a breed apart because of his giving nature and is able to make even the most traumatic procedure seem routine. He makes me feel very comfortable and I trust him because of his care, skill, and judgment. His office runs like a Swiss watch because he has developed a team of professionals that respect each other and everyone who enters their practice. It's Southern hospitality at its finest! I'm proud to call Dr. Carl Findley my friend and dentist. He's a gentleman and a scholar, and there are darn few of us left!
